Respected Sir,

Startup Cell MITS is willing to organize an event in Madhav Institute of technology and science. The event will be an Workshop / expert talk by [NAME], this will be a one day workshop in Online mode. We believe that it will be an excellent opportunity for the college students to learn a lot about Startup and Startup Culture.

Workshop Details -

Title - []

Date - []

Time - []

Duration - 1.5 to 2 hours.

Platform - [Zoom / Meets].

The pupils will receive all-around guidance from this workshop. Their initial scepticism towards startups and innovation will be dispelled after this training. All of the developing unicorns will receive all the knowledge they require as well as guidance to aid in their growth. This class will be a fantastic resource for them as they begin their work and develop their concept.

We assure you that our team will assume full responsibility for planning and conducting the workshop and ensuring that it adheres to the standards and goals of the college. We'll make sure the event doesn't interfere with any college activities, and we'll take the appropriate procedures to make sure no college regulations are broken when the event starts.

In this regards, following may be permitted:-

1. Conduction of workshop on [DATE] june in Offline Mode.
2. Invitation of student/staff of the institute via mail/WhatsApp group.
3. Permission to promote in the Classroom.
4. Invitation to the Speaker.
